What you can do

The P&F offers you many opportunities to involve yourself in the college community in enjoyable and rewarding ways.

You can attend the AGM and the monthly meetings. Doing this allows you to learn about current school issues and gives you the opportunity to influence decisions on matters that concern you as a parent.

You can join the management committee if you want to take a more active role in such forums as APFACTS and the College Health Committee, or by serving as the P&F nominee on the Board.

The range of the P&F's social and fundraising activities makes it possible for everyone to contribute at various levels according to capacity and interests.

Participation in the work of the P&F also gives you the chance to meet and make friends with other members of the school community.

You can be involved in P&F activities in many ways. See our [volunteer form](#).
