

Assisting With Assignments

Looking for ways to help your children with their assignments? *Assisting With Assignments* is an evening for parents of students in Years 5 to 12. The evening is designed to equip parents with strategies to support their children as they work on research tasks. It will include hands-on exploration of some of the excellent resources available to students.

Feedback from past evenings indicates that parents enjoy the combination of learning methods, find the focused presentation very helpful, become more aware of intranet resources, and appreciate sharing experiences with other parents.

Date: Thursday, 4 March

Time: 7.30pm - 9.15pm, including break in the middle, with refreshments

Venue: Library (Years 5-12), Radford College

For further information, contact Curtis Watson on 6162 6207 or send an email to library@radford.act.edu.au. The evening will be offered again on a Wednesday evening in Term 3.

To confirm your attendance, please complete the form below and email to library@radford.act.edu.au or detach and return it, via your child, to the Library
