

Australian School Based Apprenticeship (ASBA) Information Evening

DATE: Thursday 11th February 2010

TIME: 5pm - 6pm – Presentation and question time followed by Tea & Coffee

LOCATION: Master Builders Group Training
1 Iron Knob Street
Fyshwick ACT
(Opposite to the DFO)

GENERAL INFORMATION:

The Australian School Based Apprenticeship (ASBA) program is an extension of the Vocational Education program offered in High Schools and Colleges throughout the ACT.

Master Builders Group Training Evening Construction Program (ECP)

The ECP is a 2 year program aimed at students commencing Yr 11 in 2010. On successful completion of the program students will be eligible for a Certificate II in Construction.

Key features:

- Theory based training will be delivered every Monday from 4.30-7.30pm.
- On-site training is one full day per week with a host employer. The nominated day is organised between the student and school so as to have the least impact on their studies.

EMPLOYMENT - EVENING CONSTRUCTION PROGRAM (ECP)

Master Builders Employed/ MBA host

- Master Builders Group Training is the Employer, Registered Training Organisation and the Host Employer

Master Builders Employed/ Nominated Host

- Master Builders Group Training is the Employer and Registered Training Organisation
- Students must introduce or nominate their own Host Employer to be approved by our Field Officers

User Choice

- An employer directly employs the student and signs them into a training contract nominating the Master Builders Group Training as the Registered Training Organisation.
- Limited positions are available for the Registered Training Organisation's offsite training.

***Students completing the ASBA program with Master Builders do not automatically qualify for a full time apprenticeship. We will require submission of an application for a full time apprenticeship and the application will be considered with all other applications on a fair and equitable basis**
