## **ANU Chess Festival**

Two Radford teams were successful this week in the ANU Chess Festival. Our Primary team of Stuart Mason (5TL), Christopher Bradley (6DVG), Kathleen Tong (6JMB) and Cory Lee (6JMB) came 1st in a nail biting finish in a field of 36.

Our second Primary team was missing two players due to sickness, but Heather Nugent (6DVG) and Sima Stone (4MJL) were there flying the Radford colours. Thank you to Wendy Liu for taking the teams and helping with the scoring on the day.

## **ANU Secondary Competition**

In the ANU Secondary competition four teams represented Radford. The Radford Fighting Apples, consisting of Willis Lo (8DMD), James Li (9CAW), Jo Mason (8LB) and Benjamin Xing (8DET), came 3rd in a very tough competition, just beating the Radford Lionel Messi who came 4th. Our two other teams came 10th and 11th in a field of 22. Well done everyone.
