

RADFORD COLLEGE

13 August 2010

To Radford College Collegian Parents,

I am writing to you as a Radford Collegian with children at the school to invite you to the Collegians family BBQ at 12pm on Saturday 11 September in John Knight Memorial Park, Belconnen.

The Collegians meet four times a year, and one of the most enjoyable aspects of our meeting is how much fun all of our children have playing together. I have two children at the school, Maggie, in Year 1, and Robbie in Pre-Kindergarten. Other committee members have children of a similar age. We are hoping to make the BBQ an annual event where Collegians can catch up informally. Please RSVP to kalbob@hotmail.com if you are able to attend. Non-alcoholic drinks and snacks will be provided, but please bring your own lunch. We plan to meet at the table near the play equipment for younger children. There will be a Collegians sign at our location.

The next Radford Collegians Committee meeting will be held in the ELC at 6pm on Monday 23 August. All are welcome to attend. We will be discussing our upcoming fete plans, as well as some of the projects the Collegians are involved with. Mr P Heath and Mr G Huitker will be in attendance. Please come along to catch up and find out what the Collegians are up to.

Dates for your diary:

18 September - The 10 and 20 Year Reunion celebrations will be held on Saturday evening. Reunion participants and their families are invited to a pre-Reunion Get Together, being held at the College between 4.00 – 6.00 pm, TB Millar Hall – rsvp collegians@radford.act.edu.au.

6 November - The Radford Twilight 3.00 – 7.00pm. We'd love your help at the Collegians Devonshire Tea stall! Please contact me for further details.

We do our best to keep the database current, but if you know of a Collegian who currently has children at the school and didn't receive this email, please ask them to let us know so they may be included in future correspondence, or pass this email to them.

Kate Potter (nee Lones, Class of '95)
Collegians President
