Important Notice About Our Music Handbook

The 2010 Music Handbook provides a full description of the Classroom and Co-curricular Music Programs at Radford College. In particular, it outlines the 'Requirements of Participation' for students in our Co-curricular Music Program (Group and Individual Instrumental Lessons) especially with regard to fees and attendance. Could we please ask all parents to make sure they have read this document **prior** to committing to their child's involvement in any of our Music Programs.

Discontinuation of Individual Instrumental Lessons

Parents are reminded that if they wish to discontinue their child's Individual Instrumental Lessons in Term 4 could they please notify the Head of Music and their child's Music Tutor by Friday 6 August (end of Week 3 Term 3). Notice of discontinuation after this date will result in Term 4 Lesson Fees still requiring payment.

Discontinuation of Co-curricular Group Involvement

Once again could we please remind all parents that involvement in the Co-curricular Music program is a year-long commitment. If parents wish to withdraw their child within a calendar year, they must seek permission of the Head of Music in writing.
