

SNOWSPORTS

Congratulations to all students that participated in the inaugural ACT Schools Cup sponsored by Straightline Ski Shop in Braddon.

95 competitors from 16 ACT schools competed, and the top 3 individuals in their Interschool divisions were awarded medals in Alpine and Boarding. The overall point scoring was collated from the team results to determine the Champion Female and Male Schools. The trophies were donated by Straightline and we are proud to announce that Radford College won both categories.

The Ski Captains will present the trophies to Mr Heath at Wednesday's High School assembly and will be displayed at Radford College until 2011 ACT Schools Cup.

We would also like to acknowledge the continual support of Snowsports ACT, Perisher, Radford College and parents that volunteered their time on Sunday to bring this event to fruition.

A special thank you to Mr Heath, who snow-shoed from Blue Cow terminal over to the race course at Guthega to cheer for the students.
