

UNSW SCIENCE COMPETITION RESULTS

HOD Science: [Mr Timothy Robards](#)

All students who entered the UNSW Science Competition last term should have received their certificates in Science classes over the past week. Congratulations to all students...the results were very pleasing.

YEARS 7-10

High Distinction - 5

Distinction - 55

Credit - 89

Participation - 122

HIGH DISTINCTION RECIPIENTS

A special mention goes to the following students who won High Distinction certificates for placing in the top 1% of entrants in their year group from across NSW and the ACT:

Year 8: Ian de Jongh
James McColl
Mary Xu

Year 9: Sam Dugdale

Year 10: Genevieve Aisbett

We now await the results of the National Chemistry Quiz held two weeks ago...

Don't forget to get involved in some of the National Science Week activities mentioned in last week's e-Bulletin and also again this week!
